SWEET PEAS

EARLY WINTER-FLOWERING

We specialize in choice florists flower seeds and to aid the average grower of Sweet Peas we have made a careful study as to the best varieties in each color that should be sown for early planting to flower for Christmas and during January and February, and the best varieties to sow late, after your Mums, to flower for Easter and later. We recommend the following by the advice of some of the best Sweet Pea growers we know of:

New Snow White or Improved Snowstorm

Jeanne Mamitsch	Blue Bird	Gilda Grey
Burpee's Orange	Othello	Rose Dore

Giant Rose	Amethyst	Penrose
Burpee's Orange	Improved Snowstorm	Blue Bird
	Othello
